

BAA 2010 ANNUAL CONFERENCE AND DOCTORAL COLLOQUIUM

CALL FOR PAPERS

The 2010 Annual Conference and Doctoral Colloquium will take place at Cardiff City Hall. The City Hall stands in the heart of Cardiff, which is one of Europe's fastest growing capital cities offering a vibrant and diverse mix of activities, attractions and events. Built in the English Renaissance style, the City Hall was opened in 1906, a year after Cardiff was granted its city status.

- **Annual Conference (Tuesday 30 March to Thursday 1 April)**

The Annual Conference provides the opportunity for delegates to present their current research, develop their academic network, and an opportunity for the professional bodies and publishers to meet with academics and promote dialogue between them. Papers are invited in all areas of accounting and finance for:

- parallel sessions which will last for 90 minutes and contain three papers;
- emerging paper sessions (short presentation and discussion) which will last for 90 minutes and contain up to five papers.

Anyone wishing to present their work should submit their papers (parallel sessions) or abstracts (workshop session) by **31 December 2009** using the on-line facility on the BAA's web-site (see below for details). Authors will be notified of acceptance and the timetabling of papers by mid February 2010. Delegates wishing to attend without presenting can register up until 28 February 2010.

- **Doctoral Colloquium (Monday 29 to Tuesday 30 March)**

The BAA's Doctoral Colloquium is a national event for students registered for a MPhil/PhD in Accounting and Finance. The purpose is to bring doctoral students together to offer plenary sessions by leading researchers, dedicated workshops presented by subject area specialists, offer students the opportunity to present their work, receive expert comment and advice from established faculty members and provide an opportunity for group networking.

Students wishing to present their work should submit an abstract by **31 December 2009** using the on-line facility on the BAA's web-site (see below for details). All students meeting this date are automatically guaranteed the opportunity to present their work. Delegates wishing to attend without presenting can register up until 28 February 2010.

Students attending the Doctoral Colloquium may be interested to note that there is reduced rate for PhD students attending the Annual Conference.

We gratefully acknowledge sponsorship from the ACCA, CIMA, CIPFA, ICAEW and ICAS. This sponsorship allows us to raise significantly the standard of service we offer and the BAA is proud of these links.

Please note that attendance at this event may contribute delegates meeting their CPD requirements. It is recommended that delegates refer to the appropriate professional bodies CPD policies.
