Research funding and grants

Proposals invited for IAAER/KPMG Informing the IASB Standard Setting Process Grant Program – Round 6

Proposals are invited for round six of the IAAER KPMG Informing the IASB Standard Setting process research grant program. Full information is available [here](#).

Announcing the IAAER KPMG grant program, IASB Chairman, Hans Hoogervorst said:

“

Academia plays an essential role in the development of IFRS Standards, and I welcome the insights to standard-setting that will continue to be provided through the grant program with this latest round of research.”

ICAS calls for research on discounting in financial reporting

ICAS is looking for research project proposals on discounting in financial reporting. Deadline for expression of interest is May 31, 2017. For full details [click here](#).

CIMA lunches 2017 Seedcorn Research Funding Initiative

CIMA has launched another round of its Seedcorn funding initiative. Deadline for applications is June 16, 2017. For full details [click here](#).

IASB calls for applications to undertake a literature review on the effect of the implementation of IFRS 13 Fair Value Measurement

The IASB commissions a review of literature on the effect of the implementation of IFRS 13 to support their Post-implementation Review of IFRS 13 (PIR). Funding of £4,000 is available to support the review and cover the costs. The authors are expected to present the findings to the Board at one of its meetings at the end of 2017. For full details [click here](#).

IMA Grant Program

The Institute of Management Accountants (IMA) runs an open grant program. For details [click here](#).

Call for Papers: IMA Educational Case Journal (IECJ)

IECJ invites submissions of short cases in any area of management accounting. Those reflecting “real-world” situations are strongly preferred. Submission deadline is June 30, 2017. For details [click here](#).
