2021 AFAANZ Conference

4-6 July

Call for Papers

The 2021 AFAANZ Conference organised by the Accounting & Finance Association of Australia and New Zealand (AFAANZ) is scheduled to be held in Melbourne, Australia on 4-6 July 2021 but will be held online if required. Updated guidance about whether the conference is to be held physically or virtually will be given as soon as possible.

AFAANZ is devoted to a very broad spectrum of accounting and finance research and we welcome innovative research approaches as well as those that are well established. Papers are invited in the broad areas of accounting, finance, auditing, corporate governance, information and communication technologies, accounting education, ethics, corporate social responsibility, tax and related fields. All papers will be subject to blind peer review. AFAANZ encourages new and developing researchers to attend the conference. This year we will again extend a discount to first time AFAANZ conference attendees and full time higher degree research students.

The two plenary speakers at the conference will be:

- Garry Monroe, Professor of Accounting, University of New South Wales
- Phillip Stocken, Jack Byrne Professor of Accounting, Dartmouth College
