## RESOURCES

### Updates to IAAER website

We encourage members interested in standard setting issues relating to financial reporting, assurance, public sector accounting and ethics to refer to our [website](#) where we have provided links to various useful resources for academics under the “resources” tab.

## CONFERENCES

### IAAER events

The global pandemic has slowed down our conference calendar during 2020. However, the prospects for 2021 are looking good with IAAER involvement in the following conferences:

- [June 7-8, 2021: IAAER ACCA Central and Eastern Europe Emerging Accounting Scholars Research Workshop \(Bucharest, Romania\)](#)
- November 18-19, 2021: IAAER / Taiwan Accounting Association Joint Conference (Taipei, Taiwan)

Given the current global situation it is difficult to plan in advance, but the IAAER is considering involvement in the following conferences beyond 2021:

- 2022: 42nd AFC Congress with IAAER, Bordeaux (France)
- 2022: Accounting Section of VHB / IAAER Joint Conference
- September 2023: Krakow University of Economics / IAAER Joint Conference (Krakow, Poland)

## IAAER JOURNALS

### An update

The IAAER is affiliated with two journals – [Journal of International Financial Management and Accounting](#) (JIFMA) and [Accounting Education](#). We encourage our members to regularly refer to these journals for the latest research. In the Institutional Perspectives Section, the latest edition of JIFMA covers assurance on extended external reporting (non-financial information) and features two open access publications. These publications can be accessed through the following links:

[Extended External Reporting Assurance: Current Practices and Challenges](#)

[Research on Extended External Reporting Assurance: Trends, Themes, and Opportunities](#)

## IFAC ACCOUNTANCY EDUCATION SUMMIT

### Current trends

The IFAC Accountancy Education Summit held late 2020 explored important key trends in technology, the environment, and society, in addition to providing a platform for stimulating anticipatory thinking and re-imagining the nature of the profession and learning and development. On this [link](#) you can access short videos on summit presentations.

## IFRS ADVISORY COUNCIL

### IAAER has a voice

The IAAER serves as a member of the IFRS Advisory Council. Members can refer to the content of the recent council meeting held on 23 February 2021 [here](#).
